Summit Booklet:
Access to Public Records Act
& Open Meetings Act

July 30, 2021
July 30, 2021

Dear Open Government Summit Attendee:

Thank you for participating in the 23rd annual Open Government Summit. This event provides an important opportunity to learn more about promoting transparency in state and local government. Now more than ever, we must work to promote accountability and public trust in government.

When government decisions are debated in public and made open to inspection, the result is a more engaged citizenry that is invested in its community. Through this Summit, our goal is to provide you, as practitioners, with the tools you need to effectively operate in accordance with the Access to Public Records Act and the Open Meetings Act.

There will be forks in the road. There will be times when you will need to use your discretion to determine whether information should be made publicly available or withheld when necessary to protect an important interest. We recommend that in addition to asking whether you could withhold, think about whether you should.

Contained in this booklet are training materials from today’s event, including copies of applicable laws and recent findings by our Office. Please reach out to our Office at any time with questions, or to schedule an open government training for your organization or in your community:

Thank you for your interest and commitment to ensuring that state and local government are open and accessible to the people of Rhode Island.

Sincerely,

Peter F. Neronha

Access to Public Records Act
Findings – 2020

PR 20-52B  Lamendola vs. East Greenwich School District:
The Complainant alleged that the District improperly withheld a number of records in response to his APRA request. This Office previously issued a finding, PR 20-52, which set forth the relevant legal framework and concluded that the District permissibly withheld a number of documents. Our prior finding required the District to either produce the remaining records or provide supplemental information and analysis regarding why it was permissible to withhold those records. In response to our prior finding, the District disclosed certain additional documents to Complainant and provided supplemental information regarding the records it continued to withhold. After receiving the supplemental submission, this Office determined that the APRA permitted the District to not disclose the records that it continued to claim were exempt, and we did not find it necessary to determine whether the District violated the APRA by initially withholding the records it subsequently disclosed because the Complainant is now in possession of the records, and there was no evidence that the District’s initial decision to withhold the records, assuming it violated the APRA, warranted civil fines.

PR 21-01  Mattero vs. South Kingstown School Department:
The Complainant alleged the Department’s prepayment estimate did not comply with the APRA, and that the Department failed to provide a specific legal contract Complainant alleged was responsive to the request. During the pendency of this Office’s investigation, the Department provided the Complainant with the requested records at no cost. In line with this Office’s precedent, we determined that consideration of the Complainant’s allegations regarding the Department’s prepayment estimate was unnecessary because those documents were provided at no cost and, even assuming a violation occurred, civil fines would not be appropriate. Additionally, the undisputed evidence indicated the Department did not maintain the specific legal contract sought by Complainant. Therefore, the Department did not violate the APRA by not providing that document.

PR 21-02  White vs. Providence Police Department:
The Complainant alleged the Department provided an unreasonable prepayment estimate for completing an APRA request seeking numerous video files or recordings related to police body worn camera footage. The evidence provided to this Office supported the Department’s contention that it would take significant time to review (and potentially redact) the requested files, and that the Department needed to review the files prior to producing them to determine whether certain
information in the videos was permitted or required to be redacted under the APRA and/or applicable confidentiality laws. Accordingly, this Office found that the Department’s estimate in these circumstances was supported by the record and did not violate the APRA. This Office also found that the Department did not violate R.I. Gen. Laws § 38-2-4(d) by not providing a detailed itemization of costs because no such detailed itemization was requested. This Office noted that the records sought in this case shed light on the performance of law enforcement, and noted that Complainant is also free to ask “[a] court [to] reduce or waive the fees for costs charged for search or retrieval if it determines that the information requested is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.” R.I. Gen. Laws § 38-2-4(e).

PR 21-03  **Farinelli vs. City of Pawtucket:**
The Complainant alleged that the Department violated the APRA by redacting the face of an officer in video footage taken from a surveillance camera inside the common area of a police station. The Department alleged the redaction was appropriate under the privacy balancing test, but the Complainant alleged there was a public interest in the officer’s facial expression during an encounter with civilians. In the particular circumstances of the record presented in this case, this Office found that the public interest outweighed the asserted privacy interest and that the video should have been produced without the officer’s face redacted. VIOLATION FOUND.

PR 21-04  **Lyssikatos vs. City of Pawtucket:**
Complainant alleged the City violated the APRA when it redacted firearm serial numbers in the documents it produced without citing a valid APRA exemption for those redactions. Based on the record before us, we determined that the City’s initial response to the Complainant generally tracked the language of Exemptions (A)(i)(b) and/or (D)(c) and thus did not violate the APRA. We also found it unnecessary for us to consider whether the City violated the APRA when it redacted the records because it was undisputed that the Complainant is now in possession of the un-redacted serial numbers.

PR 21-05  **Angelo vs. Town of Westerly:**
The Complainant alleged that the Town violated the APRA when it failed to timely and completely respond to his July 16, 2020 and July 17, 2020 APRA requests and failed to respond to his administrative appeal. The Town did not dispute that it failed to timely respond to the Complainant’s APRA requests; therefore, we found the Town violated the APRA. We also found that the Town failed to state that it did not maintain certain requested records, which violated the APRA. The undisputed evidence also demonstrated that the Town did not respond to the Complainant’s administrative appeal, which also violated the APRA. The evidence submitted to
this Office indicates that the Town has now completely responded to both of Complainant’s APRA requests. However, this Office concluded that the Town committed willful and knowing or, alternatively, reckless violations of the APRA.

VIOLATION FOUND

PR 21-06  **Novak vs. Western Coventry Fire District:**
The Complainant alleged that the Fire District violated the APRA when it (1) withheld responsive documents; (2) failed to adequately cite a reason for the denial; (3) failed to provide the procedures for appealing the denial; and (4) failed to state that no portion of the withheld documents were reasonably segregable. This Office concluded that the Fire District cited HIPPA as the reason for the denial, which sufficiently invoked Exemption (S), but violated the APRA by failing to provide procedures for appealing the denial. Additionally, although the Fire District had responded to the request by indicating that the records were exempt under HIPPA, in response to the Complaint the Fire District indicated that it did not maintain responsive records. This Office reserved reaching a determination regarding whether the Fire District improperly withheld records or failed to state that no portion of the records were reasonably segregable, and required the Fire District to provide a supplemental submission addressing certain matters related to those issues.

VIOLATION FOUND

PR 21-07  **Real World Media LLC vs. Providence Police Department:**
Complainant alleged that the Department made improper redactions; improperly assessed prepayment; failed to adequately indicate the procedures for filing an administrative appeal; and did not deliver the records using the requested method despite being capable of doing so. This Office reviewed the record and determined that the Department was capable of transmitting the records over the internet as requested and thus, based on the circumstances in this case, violated the APRA by not doing so. This Office determined that the Department did not violate the APRA in connection with Complainant’s other allegations.

VIOLATION FOUND

PR 21-08  **Techentin vs. Rhode Island Department of Health:**
The Complainant alleged RIDOH violated the APRA by providing an incomplete, narrative response rather than documents responsive to the Complainant’s APRA request. Based on the record before us, we determined that RIDOH violated the APRA by providing a narrative response to the Complainant’s request, and by failing to either produce responsive records, state that it was withholding responsive records pursuant to an exemption under the APRA, or state that no such records are maintained. We directed RIDOH to provide documents responsive to Complainant’s request within ten (10) business days and to submit a supplemental
response to this Office addressing whether the violations found should be considered willful and knowing, or reckless.

VIOLATION FOUND

PR 21-09   **Yolken, et al. vs. City of Providence:**

The Complainants requested certain police incident reports related to suspected overdoses in the City of Providence for a roughly one-year time period. Complainants alleged the City violated the APRA when it withheld a number of responsive incident reports in their entirety for personal privacy reasons instead of providing redacted versions of the reports. We determined there was a public interest in the disclosure of these reports and that the privacy interests could be addressed through redaction. Accordingly, we found the City violated the APRA by withholding these records in their entirety instead of redacting any exempt information and providing the reports to the Complainants. We directed the City to provide the Complainants with the requested incident reports in redacted form within ten (10) business days. We did not find sufficient evidence to support a knowing and willful, or reckless violation.

VIOLATION FOUND

PR 21-10   **Fague vs. Coastal Resources Management Council:**

The Complainant alleged that the CRMC violated the APRA by failing to respond to his four-part document request in a timely manner. In response, the CRMC conceded that it had failed to respond, provided documents as to two parts of the request, and stated that it did not find documents responsive to the remaining parts of the request despite a diligent search. Based on the evidence, including its own admission, we found that the CRMC violated the APRA by not responding to the Complainant’s request in a timely manner. Because of issues raised by the parties regarding whether Complainant has been provided with all responsive records maintained by the CRMC, we ordered a supplemental submission from the CRMC in order to ensure compliance with the APRA and to determine whether the CRMC’s violation was willful and knowing, or reckless. We did not find injunctive relief to be appropriate at this juncture, pending further submissions.

VIOLATION FOUND.

PR 21-11   **Providence Journal vs. Rhode Island Convention Center Authority:**

The Complainant alleged the Authority violated the APRA by withholding certain payroll records related to employees of SMG, which is an entity hired by the Authority to perform work on its behalf. Based on the evidence in the record before us, we found the Authority did not maintain the requested records and on these particular facts, did not violate the APRA by not producing them. However,
because SMG performs work on behalf of or in place of the Authority, as contemplated in the APRA’s definition of “public body,” SMG is a public body under the APRA. We also noted that public bodies are required to disclose payroll records they maintain in response to a public records request to the extent such records contain information set forth in the APRA as public. Accordingly, although SMG was not named as a party to the Complaint, we encouraged SMG to produce the requested employee records to Complainant within five (5) business days of the issuance of this finding to the extent such information is public pursuant to the APRA and the guidance provided in this finding. If SMG does not do so, we noted Complainant may wish to make a clearly framed APRA request for such records directly to SMG. If Complainant is dissatisfied with SMG’s response, Complainant should notify this Office, at which time this Office would open a complaint. We expect that such a complaint process would be greatly expedited based on the information that this Office has already reviewed in connection with the instant Complaint.

PR 21-12  **Lyssikatos vs. Narragansett Police Department:**

The Complainant alleged that the Department violated the APRA by withholding internal affairs reports in their entirety. The Department initially withheld 24 internal affairs reports in their entirety. In response to this Office’s finding in *Lyssikatos v. Narragansett Police Department*, PR 20-58, the Department voluntarily disclosed seven of those reports, which were redacted consistent with Complainant’s representation that he accepted that identifying information could be redacted. This Office found that of the remaining 17 reports, 14 are required to be disclosed with redactions, one report was permissibly withheld, and two reports do not need to be produced as the parties agree that they are nonresponsive to the request. Although seeking injunctive relief may be appropriate, this Office is first permitting the Department the opportunity to provide the records in accordance with this finding and relevant caselaw.

VIOLATION FOUND.

PR 21-13  **Grenier vs. Town of Hopkinton:**

The Complainant alleged that the Town violated the APRA when it redacted the names and individually identifiable information of the reporting witnesses in the incident report Complainant requested. The Town argued that the redactions were proper insofar as the incident report did not result in an arrest and disclosing the information of the reporting witnesses would constitute an unwarranted invasion of personal privacy. The Town also acknowledged that it failed to provide the Complainant a written response to his APRA request citing the specific APRA exemptions it was invoking to support the redactions. Based on the record before
us, we found that the Town violated the APRA by failing to provide a written response to the Complainant’s APRA request, but that the redactions made to the incident report were permissible given that the privacy interests implicated in the redacted material records outweigh any public interest that would be served from disclosure. We did not find injunctive relief appropriate, nor did we find evidence of a willful and knowing, or reckless violation.

VIOLATION FOUND

PR 21-14  **Gagliano vs. Narragansett Police Department:**

The Complainant alleged the Police Department violated the APRA by denying her request for documents related to an incident which occurred on her property. In response to the Complaint, the Police Department provided the requested records in redacted form and maintained that disclosure in unredacted form would constitute an unwarranted invasion of personal privacy. Based on the record before us, we determined that unredacted disclosure would implicate the privacy interests of the individuals named in the documents, which did not pertain to an incident involving an arrest, and that there was no apparent public interest in this information. Accordingly, we found no violation.

PR 21-15  **Reale vs. Rhode Island Office of the Governor:**

The Complainant alleged that the Governor’s Office failed to respond to his APRA request. The undisputed evidence demonstrated that Complainant did not submit the request in accordance with the Governor’s Office’s promulgated and posted APRA procedures. Accordingly, we found no violation.

PR 21-16  **Gordon vs. Office of the State Fire Marshal:**

The Complainant alleged the Fire Marshal did not properly respond to his APRA request seeking certain records related to a particular arson investigation. The undisputed record evidenced that the Fire Marshal had previously provided Complainant with all records in its possession related to the arson investigation. This Office found that the instant APRA request was not clear regarding what records were being sought. Accordingly, we found that the Fire Marshal did not violate the APRA by interpreting the request as seeking records of the Foster Police Department and responding that such records were not independently maintained by the Fire Marshal.
CHAPTER 38-2
ACCESS TO PUBLIC RECORDS

38-2-1. Purpose. — The public’s right to access to public records and the individual’s right to dignity and privacy are both recognized to be principles of the utmost importance in a free society. The purpose of this chapter is to facilitate public access to public records. It is also the intent of this chapter to protect from disclosure information about particular individuals maintained in the files of public bodies when disclosure would constitute an unwarranted invasion of personal privacy.

38-2-2. Definitions. — As used in this chapter:
(1) “Agency” or “public body” means any executive, legislative, judicial, regulatory, or administrative body of the state, or any political subdivision thereof; including, but not limited to, any department, division, agency, commission, board, office, bureau, authority, any school, fire, or water district, or other agency of Rhode Island state or local government which exercises governmental functions, any authority as defined in section 42-35-1(b), or any other public or private agency, person, partnership, corporation, or business entity acting on behalf of and/or in place of any public agency.

(2) “Chief administrative officer” means the highest authority of the public body

(3) “Public business” means any matter over which the public body has supervision, control, jurisdiction, or advisory power

(4) “Public record” or “public records” shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, magnetic or other tapes, electronic data processing records, computer stored data (including electronic mail messages, except specifically for any electronic mail messages of or to elected officials with or relating to those they represent and correspondence of or to elected officials in their official capacities) or other material regardless of physical form or characteristics made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency. For the purposes of this chapter, the following records shall not be deemed public:

(A) (I) (a) All records relating to a client/attorney relationship and to a doctor/patient relationship, including all medical information relating to an individual in any files;
(b) Personnel and other personal individually-identifiable records otherwise deemed confidential by federal or state law or regulation, or the disclosure of which would constitute a clearly unwarranted invasion of personal privacy pursuant to 5 U.S.C. 552 et. seq.; provided, however, with respect to employees, and employees of contractors and subcontractors working on public works projects which are required to be listed as certified payrolls, the name, gross salary, salary range, total cost of paid fringe benefits, gross amount received in overtime, and any other remuneration in addition to salary, job title, job description, dates of employment and positions held with the state municipality, or public works contractor or subcontractor on public works projects, employment contract, work location, and/or project, business telephone number, the city or town of residence, and date of termination shall be public. For the purposes of this section “remuneration” shall include any payments received by an employee as a result of termination, or otherwise leaving employment, including, but not limited to, payments for accrued sick and/or vacation time, severance pay, or compensation paid pursuant to a contract buy-out provision. For purposes of this section, the city or town residence shall not be deemed public for peace officers, as defined in § 12-7-21, and shall not be released.

(II) Notwithstanding the provisions of this section, or any other provision of the general laws to the contrary, the pension records of all persons who are either current or retired members of any public retirement systems as well as all persons who become members of those retirement systems after June 17, 1991 shall be open for public inspection. “Pension records” as used in this section shall include all records containing information concerning pension and retirement benefits of current and retired members of the retirement systems and future members of said systems, including all records concerning retirement credits purchased and the ability of any member of the retirement system to purchase retirement credits, but excluding all information regarding the medical condition of any person and all information identifying the member’s designated beneficiary or beneficiaries unless and until the member’s designated beneficiary or beneficiaries have received or are receiving pension and/or retirement benefits through the retirement system.

(B) Trade secrets and commercial or financial information obtained from a person, firm, or corporation which is of a privileged or confidential nature.

(C) Child custody and adoption records, records of illegitimate
births, and records of juvenile proceedings before the family court

(D) All records maintained by law enforcement agencies for criminal law enforcement and all records relating to the detection and investigation of crime, including those maintained on any individual or compiled in the course of a criminal investigation by any law enforcement agency. Provided, however, such records shall not be deemed public only to the extent that the disclosure of the records or information (a) could reasonably be expected to interfere with investigations of criminal activity or with enforcement proceedings, (b) would deprive a person of a right to a fair trial or an impartial adjudication, (c) could reasonably be expected to constitute an unwarranted invasion of personal privacy, (d) could reasonably be expected to disclose the identity of a confidential source, including a state, local, or foreign agency or authority, or any private institution which furnished information on a confidential basis, or the information furnished by a confidential source, (e) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions or (f) could reasonably be expected to endanger the life or physical safety of any individual. Records relating to management and direction of a law enforcement agency and records or reports reflecting the initial arrest of an adult and the charge or charges brought against an adult shall be public

(E) Any records which would not be available by law or rule of court to an opposing party in litigation

(F) Scientific and technological secrets and the security plans of military and law enforcement agencies, the disclosure of which would endanger the public welfare and security.

(G) Any records which disclose the identity of the contributor of a bona fide and lawful charitable contribution to the public body whenever public anonymity has been requested of the public body with respect to the contribution by the contributor

(H) Reports and statements of strategy or negotiation involving labor negotiations or collective bargaining

(I) Reports and statements of strategy or negotiation with respect to the investment or borrowing of public funds, until such time
as those transactions are entered into

(J) Any minutes of a meeting of a public body which are not required to be disclosed pursuant to chapter 46 of title 42.

(K) Preliminary drafts, notes, impressions, memoranda, working papers, and work products, including those involving research at state institutions of higher education on commercial, scientific, artistic, technical or scholarly issues, whether in electronic or other format; provided, however, any documents submitted at a public meeting of a public body shall be deemed public.

(L) Test questions, scoring keys, and other examination data used to administer a licensing examination, examination for employment or promotion, or academic examinations; provided, however, that a person shall have the right to review the results of his or her examination.

(M) Correspondence of or to elected officials with or relating to those they represent and correspondence of or to elected officials in their official capacities.

(N) The contents of real estate appraisals, engineering, or feasibility estimates and evaluations made for or by an agency relative to the acquisition of property or to prospective public supply and construction contracts, until such time as all of the property has been acquired or all proceedings or transactions have been terminated or abandoned; provided the law of eminent domain shall not be affected by this provision.

(O) All tax returns.

(P) All investigatory records of public bodies, with the exception of law enforcement agencies, pertaining to possible violations of statute, rule, or regulation other than records of final actions taken provided that all records prior to formal notification of violations or noncompliance shall not be deemed to be public.

(Q) Records of individual test scores on professional certification and licensing examinations; provided, however, that a person shall have the right to review the results of his or her examination.

(R) Requests for advisory opinions until such time as the public body issues its opinion.
(S) Records, reports, opinions, information, and statements required to be kept confidential by federal law or regulation or state law, or rule of court.

(T) Judicial bodies are included in the definition only in respect to their administrative function provided that records kept pursuant to the provisions of chapter 16 of title 8 are exempt from the operation of this chapter.

(V) Printouts from TELE -TEXT devices used by people who are deaf or hard of hearing or speech impaired.

(W) All records received by the insurance division of the department of business regulation from other states, either directly or through the National Association of Insurance Commissioners, if those records are accorded confidential treatment in that state. Nothing contained in this title or any other provision of law shall prevent or be construed as prohibiting the commissioner of insurance from disclosing otherwise confidential information to the insurance department of this or any other state or country; at any time, so long as the agency or office receiving the records agrees in writing to hold it confidential in a manner consistent with the laws of this state.

(X) Credit card account numbers in the possession of state or local government are confidential and shall not be deemed public records.

(Y) Any documentary material, answers to written interrogatories, or oral testimony provided under any subpoena issued under Rhode Island General Law § 9-1.1-6.

(Z) Any individually identifiable evaluations of public school employees made pursuant to state or federal law or regulation.

(AA) All documents prepared by school districts intended to be used by school districts in protecting the safety of their students from potential and actual threats.
Right to inspect and copy records — Duty to maintain minutes of meetings — Procedures for access. —

(a) Except as provided in § 38-2-2(4), all records maintained or kept on file by any public body, whether or not those records are required by any law or by any rule or regulation, shall be public records and every person or entity shall have the right to inspect and/or copy those records at such reasonable time as may be determined by the custodian thereof.

(b) Any reasonably segregable portion of a public record excluded by subdivision 38-2-2(4) shall be available for public inspection after the deletion of the information which is the basis of the exclusion. If an entire document or record is deemed non-public, the public body shall state in writing that no portion of the document or record contains reasonable segregable information that is releasable.

(c) Each public body shall make, keep, and maintain written or recorded minutes of all meetings.

(d) Each public body shall establish written procedures regarding access to public records but shall not require written requests for public information available pursuant to R.I.G.L. section 42-35-2 or for other documents prepared for or readily available to the public. These procedures must include, but need not be limited to, the identification of a designated public records officer or unit, how to make a public records request, and where a public record request should be made, and a copy of these procedures shall be posted on the public body’s website if such a website is maintained and be made otherwise readily available to the public. The unavailability of a designated public records officer shall not be deemed good cause for failure to timely comply with a request to inspect and/or copy public records pursuant to subsection (e). A written request for public records need not be made on a form established by a public body if the request is otherwise readily identifiable as a request for public records.

(e) A public body receiving a request shall permit the inspection or copying within ten (10) business days after receiving a request. If the inspection or copying is not permitted within ten (10) business days, the public body shall forthwith explain in writing the need for additional time to comply with the request. Any such explanation must be particularized to the specific request made. In such cases the public body may have up to an additional twenty (20) business days to comply with the request if it can demonstrate that the
voluminous nature of the request, the number of requests for records pending, or the difficulty in searching for and retrieving or copying the requested records, is such that additional time is necessary to avoid imposing an undue burden on the public body.

(f) If a public record is in active use or in storage and, therefore, not available at the time a person or entity requests access, the custodian shall so inform the person or entity and make an appointment for the person or entity to examine such records as expeditiously as they may be made available.

(g) Any person or entity requesting copies of public records may elect to obtain them in any and all media in which the public agency is capable of providing them. Any public body which maintains its records in a computer storage system shall provide any data properly identified in a printout or other reasonable format, as requested.

(h) Nothing in this section shall be construed as requiring a public body to reorganize, consolidate, or compile data not maintained by the public body in the form requested at the time the request to inspect the public records was made except to the extent that such records are in an electronic format and the public body would not be unduly burdened in providing such data.

(i) Nothing in this section is intended to affect the public record status of information merely because it is stored in a computer.

(j) No public records shall be withheld based on the purpose for which the records are sought, nor shall a public body require, as a condition of fulfilling a public records request, that a person or entity provide a reason for the request or provide personally identifiable information about him/herself.

(k) At the election of the person or entity requesting the public records, the public body shall provide copies of the public records electronically, by facsimile, or by mail in accordance with the requesting person or entity’s choice, unless complying with that preference would be unduly burdensome due to the volume of records requested or the costs that would be incurred. The person requesting delivery shall be responsible for the actual cost of delivery, if any.

38-2-3.1. Records required. — All records required to be maintained pursuant to this chapter shall not be replaced or supplemented with the product of a “real-time translation reporter.”
38-2-3.2. **Arrest logs.** – (a) Notwithstanding the provisions of subsection 38-2-3(e), the following information reflecting an initial arrest of an adult and charge or charges shall be made available within forty-eight (48) hours after receipt of a request unless a request is made on a weekend or holiday, in which event the information shall be made available within seventy-two (72) hours, to the extent such information is known by the public body:

1. Full name of the arrested adult;
2. Home address of the arrested adult, unless doing so would identify a crime victim;
3. Year of birth of the arrested adult;
4. Charge or charges;
5. Date of the arrest;
6. Time of the arrest;
7. Gender of the arrested adult;
8. Race of the arrested adult; and
9. Name of the arresting officer unless doing so would identify an undercover officer.

(b) The provisions of this section shall apply to arrests made within five (5) days prior to the request.

38-2-3.16. **Compliance by agencies and public bodies.** – Not later than January 1, 2013, and annually thereafter, the chief administrator of each agency and each public body shall state in writing to the attorney general that all officers and employees who have the authority to grant or deny persons or entities access to records under this chapter have been provided orientation and training regarding this chapter. The attorney general may, in accordance with the provisions of chapter 35 of title 42, promulgate rules and regulations necessary to implement the requirements of this section.

38-2-4. **Cost.** – (a) Subject to the provisions of section 38-2-3, a public body must allow copies to be made or provide copies of public records. The cost per copied page of written documents provided to the public shall not exceed fifteen cents ($0.15) per page for documents copyable on
A public body may not charge more than the reasonable actual cost for providing electronic records or retrieving records from storage where the public body is assessed a retrieval fee.

(b) A reasonable charge may be made for the search or retrieval of documents. Hourly costs for a search and retrieval shall not exceed fifteen dollars ($15.00) per hour and no costs shall be charged for the first hour of a search or retrieval. For the purposes of this subsection, multiple requests from any person or entity to the same public body within a thirty (30) day time period shall be considered one request.

(c) Copies of documents shall be provided and the search and retrieval of documents accomplished within a reasonable time after a request. A public body upon request, shall provide an estimate of the costs of a request for documents prior to providing copies.

(d) Upon request, the public body shall provide a detailed itemization of the costs charged for search and retrieval.

(e) A court may reduce or waive the fees for costs charged for search or retrieval if it determines that the information requested is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

38-2-5. Effect of chapter on broader agency publication — Existing rights — Judicial records and proceedings. — Nothing in this chapter shall be:

(1) Construed as preventing any public body from opening its records concerning the administration of the body to public inspection;

(2) Construed as limiting the right of access as it existed prior to July 1, 1979, of an individual who is the subject of a record to the information contained herein; or

(3) Deemed in any manner to affect the status of judicial records as they existed prior to July 1, 1979, nor to affect the rights of litigants in either criminal or civil proceedings, including parties to administrative proceedings, under the laws of discovery of this state.

38-2-7. Denial of access. — (a) Any denial of the right to inspect or copy records,
in whole or in part provided for under this chapter shall be made to
the person or entity requesting the right in writing giving the specific
reasons for the denial within ten (10) business days of the request and
indicating the procedures for appealing the denial. Except for good
cause shown, any reason not specifically set forth in the denial shall be
denied waived by the public body

(b) Failure to comply with a request to inspect or copy the public record
within the ten (10) business day period shall be deemed to be a denial
Except that for good cause, this limit may be extended in accordance
with the provisions of subsection 38-2-3(e) of this chapter. All
copying and search and retrieval fees shall be waived if a public
body fails to produce requested records in a timely manner; provided,
however, that the production of records shall not be deemed
untimely if the public body is awaiting receipt of payment for costs
properly charged under section 38-2-4

(c) A public body that receives a request to inspect or copy records that
do not exist or are not within its custody or control shall, in
responding to the request in accordance with this chapter, state that
it does not have or maintain the requested records

38-2-8. Administrative appeals. — (a) Any person or entity denied the right to
inspect a record of a public body may petition the chief administrative
officer of that public body for a review of the determinations made by
his or her subordinate. The chief administrative officer shall make a
final determination whether or not to allow public inspection within
ten (10) business days after the submission of the review petition.

(b) If the custodian of the records or the chief administrative officer
determines that the record is not subject to public inspection,
the person or entity seeking disclosure may file a complaint with the
attorney general The attorney general shall investigate the
complaint and if the attorney general shall determine that the
allegations of the complaint are meritorious, he or she may
institute proceedings for injunctive or declaratory relief on behalf
of the complainant in the superior court of the county where the
record is maintained Nothing within this section shall prohibit
any individual or entity from retaining private counsel for the
purpose of instituting proceedings for injunctive or declaratory
relief in the superior court of the county where the record is
maintained

(c) The attorney general shall consider all complaints filed under this
chapter to have also been filed pursuant to the provisions of § 42-
46-8(a), if applicable.

(d) Nothing within this section shall prohibit the attorney general from initiating a complaint on behalf of the public interest.

38-2-9. Jurisdiction of superior court. —
(a) Jurisdiction to hear and determine civil actions brought under this chapter is hereby vested in the superior court.

(b) The court may examine any record which is the subject of a suit in camera to determine whether the record or any part thereof may be withheld from public inspection under the terms of this chapter.

(c) Actions brought under this chapter may be advanced on the calendar upon motion of any party, or sua sponte by the court made in accordance with the rules of civil procedure of the superior court.

(d) The court shall impose a civil fine not exceeding two thousand dollars ($2,000) against a public body or official found to have committed a knowing and willful violation of this chapter, and a civil fine not to exceed one thousand dollars ($1,000) against a public body found to have recklessly violated this chapter and shall award reasonable attorney fees and costs to the prevailing plaintiff. The court shall further order a public body found to have wrongfully denied access to public records to provide the records at no cost to the prevailing party; provided, further, that in the event that the court, having found in favor of the defendant, finds further that the plaintiff’s case lacked a grounding in fact or in existing law or in good faith argument for the extension, modification, or reversal of existing law, the court may award attorneys fees and costs to the prevailing defendant. A judgment in the plaintiff’s favor shall not be a prerequisite to obtaining an award of attorneys’ fees and/or costs if the court determines that the defendant’s case lacked grounding in fact or in existing law or a good faith argument for extension, modification or reversal of existing law.

38-2-10. Burden of proof. — In all actions brought under this chapter, the burden shall be on the public body to demonstrate that the record in dispute can be properly withheld from public inspection under the terms of this chapter.

38-2-11. Right supplemental. — The right of the public to inspect public records created by this chapter shall be in addition to any other right to inspect records maintained by public bodies.
38-2-12. **Severability.** — If any provision of this chapter is held unconstitutional, the decision shall not affect the validity of the remainder of this chapter. If the application of this chapter to a particular record is held invalid, the decision shall not affect other applications of this chapter.

38-2-13. **Records access continuing.** — All records initially deemed to be public records which any person may inspect and/or copy under the provisions of this chapter, shall continue to be so deemed whether or not subsequent court action or investigations are held pertaining to the matters contained in the records.

38-2-14. **Information relating to settlement of legal claims.** — Settlement agreements of any legal claims against a governmental entity shall be deemed public records.

38-2-15. **Reported violations.** — Every year the attorney general shall prepare a report summarizing all the complaints received pursuant to this chapter, which shall be submitted to the legislature and which shall include information as to how many complaints were found to be meritorious and the action taken by the attorney general in response to those complaints.

38-2-16. **38 Studios, LLC investigation.** — Notwithstanding any other provision of this chapter or state law, any investigatory records generated or obtained by the Rhode Island state police or the Rhode Island attorney general in conducting an investigation surrounding the funding of 38 Studios, LLC by the Rhode Island economic development corporation shall be made available to the public; provided, however:

(1) With respect to such records, birthdates, social security numbers, home addresses, financial account number(s) or similarly sensitive personally identifiable information, but not the names of the individuals themselves, shall be redacted from those records prior to any release. The provisions of § 12-11.1-5.1 shall not apply to information disclosed pursuant to this section.

Open Meetings Act Findings – 2021

OM 21-01  **Kelley vs. Scituate Human Resource Policy Committee**

The Complainant alleged that the Committee violated the OMA by failing to timely post the agenda for its August 13, 2019 meeting, and by failing to post minutes on the Secretary of State’s website for its August 13, 2019 and March 2, 2020 meetings. Based on the undisputed evidence, the statute of limitations set forth in R.I. Gen. Laws § 42-46-8(b) with regard to the August 13, 2019 meeting expired prior to the complaint being submitted to this Office. Accordingly, and consistent with this Office’s precedent, we declined to consider the merits of the Complainant’s allegations in connection with the August 13, 2019 Committee meeting. We also determined that the Committee is “solely advisory in nature,” and therefore is exempt from posting meeting minutes on the Secretary of State’s website. As such, we found that the Committee did not violate the OMA.

OM 21-02  **Langseth vs. RI Commerce Corp**

The Complainant alleged that the Committee violated the OMA by failing to post annual notice of its regularly scheduled meetings at the beginning of the calendar year and by failing to post minutes on the Secretary of State’s website for its September 2018 and September 2019 meetings. Based on the record before us, we were presented no evidence that the Committee has regularly scheduled meetings. Rather, the evidence indicated that its meetings are contingent upon the completion of an audit process conducted by a third-party. We also determined that the Committee was “solely advisory in nature” and therefore exempt from being required to post its meeting minutes on the Secretary of State’s website. Accordingly, we found no violations.

OM 21-03  **Drew vs. Coventry Charter Review Commission**

The Complainant alleged that the Commission violated the OMA when the agenda for its Saturday, July 11, 2020 9:00am meeting was not posted until Thursday, July 9, 2020 at 9:08am, in violation of R.I. Gen. Laws § 42-46-6(b). The Commission conceded this point and, accordingly, we found a violation. The Complainant also alleged that the Commission violated the OMA at its July 11, 2020 meeting when it discussed a topic not properly listed on the agenda. Based upon the record before us, we determined that the Commission violated the OMA by engaging in an
extended discussion on topics beyond what was noticed in the pertinent agenda item. We did not find injunctive relief appropriate as no action was taken on the agenda item in question, nor did we find evidence of a willful or knowing violation.

VIOLATION FOUND.

**OM 21-04  Langer vs. Bonnet Shores Fire District Council [7-20-2020, 7-22-2020]**

In a July 20, 2020 complaint and a July 22, 2020 complaint, the Complainant alleged that the Fire District violated the OMA by conducting business outside of the public purview. In the July 20, 2020 complaint, the Complainant alleged that the Fire District both retained legal counsel and vacated a member’s seat in a meeting outside the public purview. In the July 22, 2020 Complaint, the Complainant alleged that the Fire District achieved a “rolling quorum” through an email thread and discussed a matter over which the Fire District had supervision, control, jurisdiction, or advisory power. Based on the totality of the evidence before us, we found no violation as to the July 20, 2020 complaint. However, we did determine that the Fire District violated the OMA as to the July 22, 2020 Complaint because the email conversation constituted a non-public “meeting” of a quorum of the public body as contemplated by the OMA. We did not find this violation to be willful or knowing, however, nor did we find injunctive relief to be appropriate in this instance.

VIOLATION FOUND.

**OM 21-05  Sullivan vs. Coventry School Committee**

The Complainant alleged the Committee violated the OMA during its August 13, 2020 meeting by providing insufficient notice of business conducted pursuant to one item on its open session agenda and one item on its closed session agenda. The Complainant also alleged the closed session agenda item was an impermissible topic for executive session. This Office determined that the agenda items failed to adequately specify the nature of business to be discussed and that parts of the discussion during the executive session agenda item did not pertain to an individual’s job performance and were not appropriate for executive session pursuant to R.I. Gen. Laws 42-46-5(a)(1). This Office did not find sufficient evidence of a willful or knowing violation, but did require the Committee to take remedial measures regarding the open session item for which proper notice had not been provided, and to publicize a copy of the executive session minutes with redactions to the portions that were permissible for executive session.

VIOLATION FOUND.
OM 21-06  **Stewart vs. West Greenwich Planning Board:**
Complainant alleged that the Board failed to post official/approved minutes on the Secretary of State’s website for its August 24, 2020 meeting within 35 days of that meeting. The Board conceded that it did not timely file its minutes due to a clerical error. Accordingly, the Board violated the OMA. We did not find injunctive relief appropriate because the Board posted the minutes on the Secretary of State’s website once it became aware of the issue. We also did not find sufficient evidence to support a willful or knowing violation.

VIOLATION FOUND.

OM 21-07  **Durand vs. Pawtuxet River Authority**
The Complainant alleged the PRA failed to timely post notice of its January 4, 2021 meeting. The PRA did not dispute that it did not post notice of its January 4, 2021 meeting within the required time period. Accordingly, the PRA violated the OMA. Based on the totality of the circumstances, we did not find injunctive relief appropriate, nor did we find evidence to support a willful or knowing violation, but we encouraged the PRA to obtain additional training in the requirements of the OMA.

VIOLATION FOUND.

OM 21-08  **DeCubellis vs. William M. Davies Career and Technical High School Board of Trustees**
The Complainant alleged the Board convened a meeting where it discussed and voted to eliminate certain teaching positions during open session and that the agenda notice for the meeting was inadequate because the notice did not state that any vote would be taken to eliminate the positions. Based on the record before us, we determined that the pertinent agenda item failed to fairly provide notice of the Board’s action during its meeting. Although we found that the Board violated the OMA, we did not find evidence of a willful or knowing violation, nor did we determine that injunctive relief was appropriate.

VIOLATION FOUND.

OM 21-09  **Finnegan vs. Scituate School Committee [10.06.20], [10.13.20]**
In an October 6, 2020 complaint (relating to an August 25, 2020 meeting) and an October 13, 2020 complaint (relating to an October 6, 2020 meeting), the Complainant alleged that the Committee violated the OMA in both instances by not adequately providing notice of the business that was to be discussed and/or acted upon at each meeting. Based on the totality of the evidence before us, we found
violations as to both complaints. We did not find these violations to be willful or knowing, nor did we find injunctive relief to be appropriate in these circumstances.

VIOLATION FOUND.

OM 21-10  Straus vs. Westerly Town Council
The Complainant alleged that the Council violated the OMA by improperly convening into executive session to discuss the disposition of the Tower Street property and because the agenda for the meeting did not explicitly give notice that the Council would be convening into executive session to discuss and/or vote on said disposition. Based upon the undisputed evidence before us, we determined that the Council’s executive session discussion pertaining to the Tower Street property did not violate the OMA and that the agenda notice fairly informed the public that the Council intended to convene an executive session to discuss and/or act on the disposition of the property. Accordingly, we found no violations.

OM 21-11  Langseth vs. Rhode Island Commerce Corporation
Complainant alleged the Corporation violated the OMA by improperly discussing an agenda item in executive session, and because the pertinent agenda item failed to specify the business to be discussed. Based on the undisputed evidence presented, we determined that the Corporation’s executive session discussion was permissible under the OMA and, under the totality of the circumstances, the related agenda item provided sufficient notice to the public of the nature of the business to be discussed. Accordingly, we found no violations.

OM 21-12  Western Oil vs. Central Falls Zoning Board of Review
The Complainant alleged that the Board violated the OMA by failing to file official minutes on the Secretary of State’s website within thirty-five (35) days for several meetings, and by failing to make unofficial minutes of these meetings available as required by the OMA within thirty-five (35) days of the meeting. Based on the undisputed evidence, we determined that the Board violated the OMA by failing to post the official minutes and by failing to make the unofficial minutes available in accordance with the OMA’s provisions. We did not find injunctive relief appropriate because the minutes have now been posted, nor did we find evidence of a willful or knowing violation.

VIOLATION FOUND.

OM 21-13  Finnegan vs. Scituate School Committee [11.27.20] [12.5.20]
In two complaints respectively relating to meetings held on November 10, 2020 and December 5, 2020, the Complainant alleged that the Scituate School Committee violated the OMA at each meeting because the agenda item titled “Consent Agenda, 1. Meeting Minutes, 2. Bills, 3. Correspondence” failed to
properly indicate the nature of the business to be discussed at the meetings. In response, the Committee argued that it had posted supporting documents related to this agenda item on ClerkBase. The supporting documents, however, were not posted on the Secretary of State’s website. We found that the Committee violated the OMA. We did not find these violations to be willful or knowing, however, nor did we find injunctive relief to be appropriate in these circumstances.

VIOLATION FOUND.

**OM 21-14  Lamendola vs. East Greenwich School Committee [2-3-2021]**

The Complainant alleged that the School Committee violated OMA when it did not properly report out executive session votes and vote to seal the minutes of an executive session in connection with an April 9, 2019 meeting. The Complainant argued that the statute of limitations regarding this meeting had not yet expired as of the filing of his complaint because he did not have notice of the alleged violation until August 17, 2020. The School Committee provided undisputed evidence that the April 9, 2019 minutes were approved on April 23, 2019 and thus argued that the Complainant’s allegations were time-barred. Even if viewing the facts most favorably to the Complainant, the statute of limitations regarding the April 9, 2019 meeting expired two-days after the Complaint was filed with this Office. Regarding the merits of the allegations, the School Committee provided affidavits that the executive session minutes were sealed by a majority vote of the School Committee, but that this vote was inadvertently recorded in the executive session, rather than open session, minutes. Based on the record before us, the School Committee failed to record the vote to seal the executive session minutes in their open session minutes in violation of the OMA. Because the statute of limitations had expired, this Office was not able to pursue any relief related to this violation, but we encouraged the School Committee to revise the April 9, 2019 open session minutes to reflect the vote to seal the executive session minutes.

VIOLATION FOUND.

**OM 21-15  Keep Metacomet Green! vs. East Providence City Council**

The Complainant alleged that the Council failed to file its approved minutes on the Secretary of State’s website for 14 meetings within 35-days of each of those meetings. Based upon the record before us, including the Council’s concessions, this Office determined that the Council did not file its minutes with the Secretary of State within the timeframe required by the OMA for all 14 of the subject meetings. Because the Council did file all outstanding minutes with the Secretary of State prior to the issuance of this finding, we did not find injunctive relief appropriate. We were also not presented with evidence of a willful or knowing
violation. The Council represented that the violations were due to staffing issues related to COVID-19 and that it had taken remedial measures to address the issue going forward.

VIOLATION FOUND.

OM 21-16  **Brown University vs. Providence City Council Committee on Ordinances**

The Complainant alleged that the Committee’s January 27, 2021 agenda item concerning the scheduling of a hearing regarding a proposed amendment to the Historic Overlay District Ordinance failed to fairly inform the public of the business to be discussed. Based on the record before us, including this Office’s independent review of the audio recording of the January 27 meeting, we determined that the subject agenda item was sufficiently specific and did not violate the OMA.

OM 21-17 **Courtney vs. Jamestown Housing Authority**

The Complainant alleged the Housing Authority violated the OMA when it failed to post a physical copy of the notice for its December 30, 2020 meeting anywhere on the Housing Authority premises. The Housing Authority provided evidence that notice of the December 30, 2020 meeting was physically posted at two (2) locations within the Housing Authority residential buildings more than 48 hours before the meeting, in addition to being posted at the Jamestown Town Hall and electronically on the Secretary of State’s website. Accordingly, based on the record before us, we found no violation.

OM 21-18 **Lamendola vs. East Greenwich School Committee [3-2-2021]**

The Complainant alleged that the School Committee violated the OMA at its March 2, 2021 meeting when it voted to continue the engagement of a law firm in executive session without providing advanced notice that such a vote would occur, and when the executive session agenda item cited to “RIGL § 42-46-2(a)(2),” as the purpose of the executive session, which is not a proper citation to the OMA. Based on the totality of the circumstances, we found that the March 2, 2021 executive session agenda item fairly informed the public of the nature of the business to be discussed and acted upon. Similarly, we found that in the context of these particular circumstances, the executive session notice fairly noted the nature of the business discussed and the basis for entering executive session, notwithstanding the typographical error in the citation. Accordingly, we found no violations.
OM 21-19  **Farrell vs. Johnston School Committee:**

The Complainant alleged an item on the School Committee’s March 16, 2021 meeting agenda failed to fairly inform the public that a discussion would take place regarding the change of date for a certain professional development day. Based on the undisputed evidence, the pertinent agenda item fairly encompassed the discussion and presentation made under that topic, and the brief conversation related to the professional development date change occurred after the presentation and was initiated by a member of the public. It was further undisputed that the Committee took no action related to the professional development date change, which had already been made by the superintendent prior to the meeting, and did not carry on any discussion of this topic beyond the scope of the question presented by the member of the public. Accordingly, we found no violation.

OM 21-20  **Zonfrillo vs. Narragansett Town Council:**

The Complainant alleged that the Town Council violated the OMA by impermissibly entering a closed session to discuss pending litigation, and by not disclosing votes taken in closed session. Based on the undisputed evidence, the Town Council announced the purpose of the closed session was to discuss litigation, cited R.I. Gen. Laws § 42-46-5(a)(2), which allows closed meetings “pertaining to collective bargaining or litigation,” and only discussed matters related to litigation in the closed session. Furthermore, this Office’s in camera review of the closed session minutes confirmed that no votes were taken by the Town Council in closed session besides a vote to seal the minutes, which the Complainant acknowledges (and the record indicates) was disclosed. Accordingly, we found no violation.

OM 21-21  **Ford vs. Barrington School Committee:**

The Complainant alleged that the Barrington School Committee violated the OMA because an item on the Committee's February 25, 2021 meeting agenda reading “School Committee Workshop on School Goals: Mid Year Report” failed to fairly inform the public that the presentation by Barrington High School would feature discussion of the “de-leveling” process at the school, and failed to inform the public that guest speakers would be present. While this Office determined that the Committee did not violate the OMA when it did not provide notice of guest speakers, we determined that that the agenda item failed to apprise the public of the substance of what was discussed at the meeting, and therefore violated the OMA. We did not find this violation to be willful or knowing, however, nor did we find
injunctive relief to be appropriate in these circumstances because no vote or action was taken.

VIOLATION FOUND.

OM 21-22  **Howard vs. Portsmouth Senior Center Focus Group:**

The Complainant alleged that the Portsmouth Senior Center Focus Group is a “public body” under the OMA, and violated the OMA by meeting outside of the public purview. Based on the record and guided by Supreme Court precedent and the totality of the evidence, we did not find that the Focus Group is a “public body” under the OMA. Therefore, the OMA does not apply to the Focus Group, and we found no violation.

OM 21-23  **Phongsavahn vs. Woonsocket Board of Canvassers:**

The Complainant alleged that the Woonsocket Board of Canvassers violated the OMA by failing to post minutes for its September 23, 2020 meeting to the Secretary of State's website within thirty-five days of the meeting. In response, the Board conceded that it had failed to post meeting minutes to the Secretary of State’s website by the statutory deadline but provided evidence that it had posted the minutes on the same day the Complaint was filed, thirty-seven days after the meeting. We found that the Board violated the OMA. We did not find this violation to be willful or knowing, however, nor did we find injunctive relief to be appropriate in these circumstances.

VIOLATION FOUND.
CHAPTER 42-46
OPEN MEETINGS

42-46-1. Public policy. — It is essential to the maintenance of a democratic society that public business be performed in an open and public manner and that the citizens be advised of and aware of the performance of public officials and the deliberations and decisions that go into the making of public policy.

42-46-2. Definitions. — As used in this chapter:

(1) "Meeting" means the convening of a public body to discuss and/or act upon a matter over which the public body has supervision, control, jurisdiction, or advisory power. As used herein, the term "meeting" expressly includes, without limiting the generality of the foregoing, so-called "workshop," "working," or "work" sessions.

(2) "Open call" means a public announcement by the chairperson of the committee that the meeting is going to be held in executive session and the chairperson must indicate which exception of § 42-46-5 is being involved.

(3) "Open forum" means the designated portion of an open meeting, if any, on a properly posted notice reserved for citizens to address comments to a public body relating to matters affecting the public business.

(4) "Prevailing plaintiff" includes those persons and entities deemed "prevailing parties" pursuant to 42 U.S.C. § 1988.

(5) "Public body" means any department, agency, commission, committee, board, council, bureau, or authority, or any subdivision thereof, of state or municipal government or the board of directors of any library that funded at least twenty-five percent (25%) of its operational budget in the prior budget year with public funds, and shall include all authorities defined in § 42-35-1. For purposes of this section, any political party, organization, or unit thereof meeting or convening is not and should not be considered to be a public body; provided, however, that no such meeting shall be used to circumvent the requirements of this chapter.

(6) "Quorum," unless otherwise defined by applicable law, means a simple majority of the membership of a public body.
42-46-3. **Open meetings.** — Every meeting of all public bodies shall be open to the public unless closed pursuant to §§ 42-46-4 and 42-46-5.

42-46-4. **Closed meetings.** — (a) By open call, a public body may hold a meeting closed to the public upon an affirmative vote of the majority of its members. A meeting closed to the public shall be limited to matters allowed to be exempted from discussion at open meetings by § 42-46-5. The vote of each member on the question of holding a meeting closed to the public and the reason for holding a closed meeting, by a citation to a subdivision of § 42-46-5(a), and a statement specifying the nature of the business to be discussed, shall be recorded and entered into the minutes of the meeting. No public body shall discuss in closed session any public matter which does not fall within the citations to § 42-46-5(a) referred to by the public body in voting to close the meeting, even if these discussions could otherwise be closed to the public under this chapter.

(b) All votes taken in closed sessions shall be disclosed once the session is reopened; provided, however, a vote taken in a closed session need not be disclosed for the period of time during which its disclosure would jeopardize any strategy negotiation or investigation undertaken pursuant to discussions conducted under § 42-46-5(a).

42-46-5. **Purposes for which meeting may be closed — Use of electronic communications — Judicial proceedings — Disruptive conduct.** —

(a) A public body may hold a meeting closed to the public pursuant to § 42-46-4 for one or more of the following purposes:

(1) Any discussions of the job performance, character, or physical or mental health of a person or persons provided that such person or persons affected shall have been notified in advance in writing and advised that they may require that the discussion be held at an open meeting.

Failure to provide such notification shall render any action taken against the person or persons affected null and void. Before going into a closed meeting pursuant to this subsection, the public body shall state for the record that any persons to be discussed have been so notified and this statement shall be noted in the minutes of the meeting.

(2) Sessions pertaining to collective bargaining or litigation, or work sessions pertaining to collective bargaining or litigation.

(3) Discussion regarding the matter of security including but not
limited to the deployment of security personnel or devices.

(4) Any investigative proceedings regarding allegations of misconduct, either civil or criminal.

(6) Any discussions related to or concerning a prospective business or industry locating in the state of Rhode Island when an open meeting would have a detrimental effect on the interest of the public.

(7) A matter related to the question of the investment of public funds where the premature disclosure would adversely affect the public interest. Public funds shall include any investment plan or matter related thereto, including but not limited to state lottery plans for new promotions.

(8) Any executive sessions of a local school committee exclusively for the purposes (i) of conducting student disciplinary hearings or (ii) of reviewing other matters which relate to the privacy of students and their records, including all hearings of the various juvenile hearing boards of any municipality; provided, however, that any affected student shall have been notified in advance in writing and advised that he or she may require that the discussion be held in an open meeting.

Failure to provide such notification shall render any action taken against the student or students affected null and void. Before going into a closed meeting pursuant to this subsection, the public body shall state for the record that any students to be discussed have been so notified and this statement shall be noted in the minutes of the meeting.

(9) Any hearings on, or discussions of, a grievance filed pursuant to a collective bargaining agreement.

(10) Any discussion of the personal finances of a prospective donor to a library.

(b) No meeting of members of a public body or use of electronic communication, including telephonic communication and tele-
phone conferencing, shall be used to circumvent the spirit or requirements of this chapter; provided, however, these meetings and discussions are not prohibited.

(1) Provided, further however, that discussions of a public body via electronic communication, including telephonic communication and telephone conferencing, shall be permitted only to schedule a meeting, except as provided in this subsection.

(2) Provided, further however, that a member of a public body may participate by use of electronic communication or telephone communication while on active duty in the armed services of the United States.

(3) Provided, further however, that a member of that public body, who has a disability as defined in chapter 87 of title 42 and:

(i) cannot attend meetings of that public body solely by reason of the member’s disability; and

(ii) cannot otherwise participate in the meeting without the use of electronic communication or telephone communication as reasonable accommodation, may participate by use of electronic communication or telephone communication in accordance with the process below.

(4) The governor’s commission on disabilities is authorized and directed to:

(i) establish rules and regulations for determining whether a member of a public body is not otherwise able to participate in meetings of that public body without the use of electronic communication or telephone communication as a reasonable accommodation due to that member’s disability;

(ii) grant a waiver that allows a member to participate by electronic communication or telephone communication only if the member’s disability would prevent the member from being physically present at the meeting location, and the use of such communication is the only reasonable accommodation; and

(iii) any waiver decisions shall be a matter of public record.
(5) The university of Rhode Island board of trustees members, established pursuant to § 16-32-2, are authorized to participate remotely in open public meetings of the board if they are unable to be physically present at the meeting location; provided, however, that:

(i) The remote members and all persons present at the meeting location are clearly audible and visible to each other;

(ii) A quorum of the body is physically present at the noticed meeting location;

(iii) If videoconferencing is used to conduct a meeting, the public notice for the meeting shall inform the public that videoconferencing will be used and include instructions on how the public can access the virtual meeting; and

(iv) The board shall adopt rules defining the requirements of remote participation including its use for executive session, and the conditions by which a member is authorized to participate remotely.

(c) This chapter shall not apply to proceedings of the judicial branch of state government or probate court or municipal court proceedings in any city or town.

(d) This chapter shall not prohibit the removal of any person who willfully disrupts a meeting to the extent that orderly conduct of the meeting is seriously compromised.

42-46-6. Notice. —

(a) All public bodies shall give written notice of their regularly scheduled meetings at the beginning of each calendar year. The notice shall include the dates, times, and places of the meetings and shall be provided to members of the public upon request and to the secretary of state at the beginning of each calendar year in accordance with subsection (f).

(b) Public bodies shall give supplemental written public notice of any meeting within a minimum of forty-eight (48) hours, excluding weekends and state holidays in the count of hours, before the date. This notice shall include the date the notice was posted, the date, time and place of the meeting, and a statement specifying the nature
of the business to be discussed. Copies of the notice shall be main-
tained by the public body for a minimum of one year. Nothing
contained herein shall prevent a public body, other than a school
committee, from adding additional items to the agenda by majority
vote of the members. School committees may, however, add items
for informational purposes only, pursuant to a request, submitted
in writing, by a member of the public during the public comment
session of the school committee’s meetings. Said informational
items may not be voted upon unless they have been posted in
accordance with the provisions of this section. Such additional
items shall be for informational purposes only and may not be voted
on except where necessary to address an unexpected occurrence
that requires immediate action to protect the public or to refer the
matter to an appropriate committee or to another body or official.

(c) Written public notice shall include, but need not be limited to
posting a copy of the notice at the principal office of the public
body holding the meeting, or if no principal office exists, at the
building in which the meeting is to be held, and in at least one other
prominent place within the governmental unit, and electronic filing
of the notice with the secretary of state pursuant to subsection (f);
however, nothing contained herein shall prevent a public body from
holding an emergency meeting, upon an affirmative vote of the
majority of the members of the body when the meeting is deemed
necessary to address an unexpected occurrence that requires immediate
action to protect the public. If an emergency meeting is called, a
meeting notice and agenda shall be posted as soon as practicable and
shall be electronically filed with the secretary of state pursuant to
subsection (e) and, upon meeting, the public body shall state for the
record and minutes why the matter must be addressed in less than forty-
eight (48) hours in accordance with § 42-46-6(b) and only discuss the
issue or issues which created the need for an emergency meeting.
Nothing contained herein shall be used in the circumvention of the spirit
and requirements of this chapter.

(d) Nothing within this chapter shall prohibit any public body, or the
members thereof, from responding to comments initiated by a
member of the public during a properly noticed open forum even
if the subject matter of a citizen’s comments or discussions were
not previously posted, provided such matters shall be for
informational purposes only and may not be voted on except where
necessary to address an unexpected occurrence that requires
immediate action to protect the public or to refer the matter to an
appropriate committee or to another body or official. Nothing
contained in this chapter requires any public body to hold an open
forum session, to entertain or respond to any topic nor does it
prohibit any public body from limiting comment on any topic at
such an open forum session. No public body, or the members thereof,
may use this section to circumvent the spirit or requirements of this
chapter.
(e) A school committee may add agenda items not appearing in the published notice required by this section under the following conditions:

(1) The revised agenda is electronically filed with the secretary of state pursuant to subsection (f), and is posted on the school district’s website and the two (2) public locations required by this section at least forty-eight (48) hours in advance of the meeting in accordance with § 42-46-6(b);

(2) The new agenda items were unexpected and could not have been added in time for newspaper publication;

(3) Upon meeting, the public body states for the record and minutes why the agenda items could not have been added in time for newspaper publication and need to be addressed at the meeting; A formal process is available to provide timely notice of the revised agenda to any person who has requested that notice, and the school district has taken reasonable steps to make the public aware of this process; and

(4) The published notice shall include a statement that any changes in the agenda will be posted on the school district’s web site and the two (2) public locations required by this section and will be electronically filed with the secretary of state at least forty-eight (48) hours in advance of the meeting in accordance with § 42-46-6(b).

(f) All notices required by this section to be filed with the secretary of state shall be electronically transmitted to the secretary of state in accordance with rules and regulations which shall be promulgated by the secretary of state. This requirement of the electronic transmission and filing of notices with the secretary of state shall take effect one (1) year after this subsection takes effect.

(g) If a public body fails to transmit notices in accordance with this section, then any aggrieved person may file a complaint with the attorney general in accordance with § 42-46-8.

42-46-7. Minutes. —

(a) All public bodies shall keep written minutes of all their meetings. The minutes shall include, but need not be limited to:

(1) The date, time, and place of the meeting;

(2) The members of the public body recorded as either present or absent;

(3) A record by individual members of any vote taken; and

The minutes shall be public records and unofficial minutes shall be available, to the public at the office of the public body, within thirty five (35) days of the meeting or at the next regularly scheduled meeting, whichever is earlier, except where the disclosure would be inconsistent with §§ 42-46-4 and 42-46-5 or where the public body by majority vote extends the time period for the filing of the minutes and publicly states the reason.

(2) In addition to the provisions of subdivision (b)(1), all volunteer fire companies, associations, fire district companies, or any other organization currently engaged in the mission of extinguishing fires and preventing fire hazards, whether it is incorporated or not, and whether it is a paid department or not, shall post unofficial minutes of their meetings within twenty-one (21) days of the meeting, but not later than seven (7) days prior to the next regularly scheduled meeting, whichever is earlier, on the secretary of state’s website. Except for discussions related to finances, the provisions of this subsection shall not apply to a volunteer fire company if the matters of the volunteer fire company are under the supervision, control, or jurisdiction of another public body.

(c) The minutes of a closed session shall be made available at the next regularly scheduled meeting unless the majority of the body votes to keep the minutes closed pursuant to §§ 42-46-4 and 42-46-5.

(d) All public bodies shall keep official and/or approved minutes of all meetings of the body and shall file a copy of the minutes of all open meetings with the secretary of state for inspection by the public within thirty-five (35) days of the meeting; provided that this subsection shall not apply to public bodies whose responsibilities are solely advisory in nature.

(e) All minutes and unofficial minutes required by this section to be filed with the secretary of state shall be electronically transmitted to the secretary of state in accordance with rules and regulations which shall be promulgated by the secretary of state. If a public body fails to transmit minutes or unofficial minutes in accordance with this subsection, then any aggrieved person may file a complaint with the attorney general in accordance with §42-46-8.
42-46-8. Remedies available to aggrieved persons or entities. —
(a) Any citizen or entity of the state who is aggrieved as a result of violations of the provisions of this chapter may file a complaint with the attorney general. (b) No complaint may be filed by the attorney general after one hundred eighty (180) days from the date of public approval of the minutes of the meeting at which the alleged violation occurred, or, in the case of an unannounced or improperly closed meeting, after one hundred eighty (180) days from the public action of a public body revealing the alleged violation, whichever is greater.

(c) Nothing within this section shall prohibit any individual from retaining private counsel for the purpose of filing a complaint in the superior court within the time specified by this section against the public body which has allegedly violated the provisions of this chapter; provided, however, that if the individual has first filed a complaint with the attorney general pursuant to this section, and the attorney general declines to take legal action, the individual may file suit in superior court within ninety (90) days of the attorney general’s closing of the complaint or within one hundred eighty (180) days of the alleged violation, whichever occurs later.

(d) The court shall award reasonable attorney fees and costs to a prevailing plaintiff, other than the attorney general, except where special circumstances would render such an award unjust. The court may issue injunctive relief and declare null and void any actions of a public body found to be in violation of this chapter. In addition, the court may impose a civil fine not exceeding five thousand dollars ($5,000) against a public body or any of its members found to have committed a willful or knowing violation of this chapter.

(e) Nothing within this section shall prohibit the attorney general from initiating a complaint on behalf of the public interest.

(f) Actions brought under this chapter may be advanced on the calendar upon motion of the petitioner.

(g) The attorney general shall consider all complaints filed under this chapter to have also been filed under § 38-2-8(b) if applicable.
42-46.9. Other applicable law. — The provisions of this chapter shall be in addition to any and all other conditions or provisions of applicable law and are not to be construed to be in amendment of or in repeal of any other applicable provision of law, except § 16-2-29, which has been expressly repealed.

42-46.10. Severability. — If any provision of this chapter, or the application of this chapter to any particular meeting or type of meeting, is held invalid or unconstitutional, the decision shall not affect the validity of the remaining provisions or the other applications of this chapter.

Notice of citizen’s rights under this chapter. — The attorney general shall prepare a notice providing concise information explaining the requirements of this chapter and advising citizens of their right to file complaints for violations of this chapter. ACCESS TO PUBLIC RECORDS ACT CHECKLIST

OPEN GOVERNMENT UNIT

It is important to note that the APRA establishes the minimum requirements with which public bodies must comply. Public bodies are encouraged to implement policies promoting increased disclosure and transparency that are consistent with the APRA and its goal of facilitating public access to government records.

PROCEDURES  (R.I. Gen. Laws § 38-2-3(d))

- All public bodies must establish written procedures regarding access to public records, which must be posted on the public body’s website, if such a website is maintained, and made otherwise readily available to the public.
- Written procedures must include the following:
  - Identification of a designated public records officer or unit;
  - Where to make a public records request; and
  - How to make a public records request.
- A public body may require that requests be made in writing. However, requests need not be in writing if the requested records are available pursuant to the Administrative Procedures Act or are otherwise readily available to the public.
- A public body cannot require that requests be made on a specific form or that requesters provide identifying information or the reason(s) for their request.

- Any officer or employee given authority to grant or deny access to records must be trained, either by attending an Attorney General training or by watching the video of the Attorney General’s Open Government Summit.
- No later than January 1 of every year, every public body and Chief Administrative Officer must certify that all officers and employees who have the authority to grant or deny persons or entities access to records have been provided orientation and training during the prior year.
  - Any person who becomes authorized by their employer after January 1 to grant or deny Access to Public Records Act requests shall receive training as required under the Act as soon as practicable, but not more than one (1) month after being authorized to grant or deny APRA requests. The Chief Administrative Officer must certify to the Office of Attorney General that training has been received when training has been completed.
- Certification should be accomplished using forms generated by the Attorney General and available at: http://www.riag.ri.gov/CivilDivision/OpenGovernmentUnit.php.

1 This checklist is provided by the Office of Attorney General to assist public bodies and provide guidance concerning the Access to Public Records Act’s requirements. This checklist does not list all Access to Public Records Act requirements and is neither intended to replace the Access to Public Records Act nor should it be construed as legal advice. Public bodies should defer to their legal counsel when questions regarding compliance arise. Revised July 2021.
Completed certification forms must be forwarded to the Office of Attorney General, Attn: Open Government Unit 150 South Main Street, Providence, Rhode Island 02903 or agsummit@riag.ri.gov.

RESPONDING TO REQUESTS

Within ten (10) business days of receipt of a request, the public body must provide one of the following responses to the requester:

- Access to the records;
- Denial of the request in whole or in part (i.e. redaction);
- Extension of the time to respond; or
- Estimate of the time and cost, which tolls the time to respond.

The ten (10) business day clock begins to run on the first business day following receipt of the request. Requests received outside of normal business hours or on weekends or state holidays are deemed received as of the next business day.

Access:

Requested documents are presumed to be public records and must be disclosed, unless the document (in whole or in part) is exempt pursuant to one or more of the exemptions found in R.I. Gen. Laws § 38-2-2(A)-(AA). (R.I. Gen. Laws § 38-2-2(4)).

- Even if a document is exempt from disclosure, the public body may, in its discretion, still disclose the document, unless disclosure is prohibited by some other law, regulation, or rule of court.

Documents must be provided in any requested media that can be provided. (R.I. Gen. Laws § 38-2-3(g)).

- Must provide copies electronically, by facsimile, or by mail pursuant to requester’s choice, unless doing so would be unduly burdensome due to the volume of records requested or the costs incurred. Person requesting delivery responsible for costs, if any. (R.I. Gen. Laws § 38-2-3(k)).
  - For example, if the public body maintains and can provide a document in word or excel and the requester requests that document in one of those particular formats, the public body cannot provide a PDF.

Denial:

Any denial of a request for records:

- must be in writing (even if request was made orally);
- Provide specific reason(s) (including citation to specific exemptions, where applicable) for denial;
  - Without a showing of good cause, any exemption not specifically stated in the denial is deemed waived. (R.I. Gen. Laws § 38-2-7(a)).
- If withholding entire document, must state that no reasonably segregable portion of the document can be produced. (R.I. Gen. Laws § 38-2-3(b)); and
- Identify procedure for appealing denial. (R.I. Gen. Laws § 38-2-7(a)).

The following responses constitute denials for purposes of the APRA and the requirements set forth above:

---

2 This section should not be used for requests seeking adult arrest logs for arrests taking place within five (5) days of the request, which require a law enforcement agency to provide a response within 48 hours after receipt of a request, unless a request is made on a weekend or a holiday, in which case the records shall be made available within 72 hours. (R.I. Gen. Laws § 38-2-3.2).
A response indicating that the public body does not maintain documents responsive to the request. *(R.I. Gen. Laws § 38-2-7(c))*.

A response indicating that the public body can neither confirm nor deny whether it maintains documents responsive to the request.

A response that includes the redaction of any records, in whole or in part.

A response indicating that responsive documents are being withheld in their entirety.

**Extend the time to respond** *(R.I. Gen. Laws § 38-2-3(e))*

- A public body may extend the time to respond by an additional twenty (20) business days.
- The extension must:
  - Be in writing;
  - Demonstrate extension necessary due to voluminous nature of the request, the number of requests pending, or the difficulty in searching for and retrieving or copying requested records; and
  - Be particularized to specific request – no copying above boilerplate language from the statute.

**COSTS** *(R.I. Gen. Laws § 38-2-4)*

- Up to $.15 per document copied on a common or legal-size paper;
- Up to $15.00 per hour for search, retrieval, review, and redaction, with no charge for the first hour;
  - Multiple requests from the same person/entity within a 30-day time may be considered one request for purposes of calculating the first hour at no charge.
  - The time expended to review and redact documents may be included in the assessed costs. See *D.A.R.E. v. Gannon*, 819 A.2d 651, 661 (R.I. 2003).
- No more than the reasonable actual cost for providing electronic records;
- No more than the reasonable actual cost for retrieving records from storage, but only where the public body is assessed a retrieval fee; and
- Any other cost provision specifically authorized by law.
- For all costs, an estimate must be provided upon request; and a detailed itemization of the search and retrieval costs must be provided upon request.
- It is a best practice to provide requesters with an estimate up front so that they have an opportunity to make an informed decision about whether to proceed with the request.

**COMMUNICATION**

- Maintaining open communication with the requestor is key in order to clarify the scope of the request, to confirm that your public body understands what records are being sought, and to potentially resolve any disputes (or narrow the issues) before a complaint is filed with this Office.

OPEN MEETINGS ACT CHECKLIST
OPEN GOVERNMENT UNIT

It is important to note that the OMA establishes the minimum requirements with which public bodies must comply. Public bodies are encouraged to conduct meetings as openly as possible, consistent with the OMA and its purpose of ensuring that public business is carried out in an open and transparent manner.

WHEN THE OMA APPLIES
(R.I. Gen. Laws § 42-46-2)

- The OMA applies whenever a quorum of a public body convenes for a meeting. The OMA applies when all three elements are present:
  - A **public body** is “any department, agency, commission, board, council, bureau, or authority or any subdivision thereof of state or municipal government,” in addition to certain libraries.
  - A **meeting** is “the convening of a public body to discuss and/or act upon a matter over which the public body has supervision, control, jurisdiction, or advisory power.”
  - A **quorum** is defined as “a simple majority of the membership of a public body.”
    - Note: a “walking” or “rolling” quorum may be created where a majority of the members of a public body attain a quorum by a series of one-on-one conversations or interactions, whether in person or by electronic means.
    - Except as provided in any applicable Executive Order, discussions of a public body by telephone or electronic means are permissible only to schedule a meeting or due to a member being on active duty in the armed services or having a disability. (R.I. Gen. Laws § 42-46-5(b)).

NOTICE REQUIREMENTS
(R.I. Gen. Laws § 42-46-6)

- **Annual Notice** (beginning of each calendar year only) (R.I. Gen. Laws § 42-46-6(a)).
  - Includes the date(s), time(s), and location(s) of the meetings.
  - Notice must be posted electronically with the Secretary of State and provided to a member of the public upon request.
- **Supplemental Notice/Agenda** (minimum 48 hours before the date of the scheduled meeting, excluding weekends and state holidays) (R.I. Gen. Laws § 42-46-6(b)).
  - Notice includes:
    - the date notice was posted;
    - the date(s), time(s), and location(s) of the meetings; and
    - a statement specifying the nature of the business for each matter to be discussed.
    - Statement must give the public fair notice of the nature of the business to be discussed or acted upon. Agenda items such as “Old Business” or “Treasurer’s Report” are insufficient.

---

1 This checklist is provided by the Office of Attorney General to assist public bodies and provide guidance concerning the Open Meetings Act’s requirements. This checklist does not list all Open Meetings Act requirements and is neither intended to replace the Open Meetings Act nor should it be construed as legal advice. Public bodies should defer to their legal counsel when questions regarding compliance arise. Revised July 2021.
• Cannot take a vote on an item if agenda only states that the item will be discussed and does not indicate that it may be voted upon.
• A public body may respond to comments initiated by members of the public during an open forum but may not vote on the matter absent an emergency. A public body is not required to hold an open forum or permit open discussion but is encouraged to do so when appropriate.

➢ Notice must be posted: (R.I. Gen. Laws § 42-46-6(c))
   ▪ at the principal office of the public body holding the meeting, or if no principal office exists, at the building where the meeting is to be held;
   ▪ in at least one other prominent location within the governmental unit; and
   ▪ electronically with the Secretary of State.

❖ Emergency Meetings may be held without satisfying the usual notice requirements, provided that:
   ➢ The majority takes an affirmative vote that the emergency meeting is necessary to address an unexpected occurrence that requires immediate action to protect the public;
   ➢ The public body states for the record why the matter must be addressed without providing the usual notice;
   ▪ The statement regarding why the matter must be addressed without the usual notice must be recorded in the meeting minutes.
   ➢ Notice is posted as soon as practicable and electronically filed on the Secretary of State’s website; and
   ➢ The public body may only address the issue or issues which created the need for an emergency meeting.

OPEN MEETINGS

❖ All meetings must be open to the public unless closed in accordance with the OMA.
   ➢ The public has a right to record open session meetings.

CLOSED MEETINGS
(R.I. Gen. Laws § 42-46-4(a))

   ➢ A discussion of the job performance, character, or physical or mental health of a person(s), pursuant to R.I. Gen. Laws § 42-46-5(a)(1), provided that:
     ▪ person(s) affected shall be notified in advance in writing;
     ▪ person(s) affected advised they may require discussion held in open session; and
     ▪ A statement in open session (and record in open session minutes) that affected person(s) have been notified.
   ➢ Sessions pertaining to collective bargaining or litigation. (R.I. Gen. Laws § 42-46-5(a)(2)).
   ➢ Discussions regarding a matter of security. (R.I. Gen. Laws § 42-46-5(a)(3)).

   ➢ Discussions related to or concerning a prospective business or industry locating in Rhode Island when an open meeting would have a detrimental effect on the interest of the public. (R.I. Gen. Laws § 42-46-5(a)(6)).
   ➢ A matter related to the question of the investment of public funds, which includes any investment plan or matter related thereto, where the premature disclosure would adversely affect the public interest. (R.I. Gen. Laws § 42-46-5(a)(7)).
   ➢ School committee sessions to conduct student disciplinary hearings or to review other matters that relate to the privacy of students and their records, provided in either case: (R.I. Gen. Laws § 42-46-5(a)(8)).
     ▪ any affected student(s) shall be notified in advance in writing;
• affected student(s) advised they may require discussion held in open session; and
• during open call, state in open session and record in open session minutes that affected student(s) have been notified.

⇒ Hearings on, or discussions of, a grievance filed pursuant to a collective bargaining agreement. (R.I. Gen. Laws § 42-46-5(a)(9)).
⇒ Discussion of the personal finances of a prospective donor to a library. (R.I. Gen. Laws § 42-46-5(a)(10)).

• In order to properly convene in executive session, the following must first be performed by the public body in open session:

  ⇒ **EXCEPTIONS**
    ⇒ when a closed session meeting has been properly convened and a majority of the members vote to seal the minutes, or
    ⇒ where a majority of the members vote to extend the time period for filing minutes and publicly state the reason for the extension. (R.I. Gen. Laws § 42-46-7(b)).
  ⇒ Official/approved minutes must be maintained and electronically filed with the Secretary of State within 35 days of the meeting. (R.I. Gen. Laws § 42-46-7(d)).
  ⇒ **EXCEPTION**
    ⇒ not applicable to public bodies whose responsibilities are advisory in nature. (R.I. Gen. Laws § 42-46-7(d)).

(R.I. Gen. Laws § 42-46-7(b)(2))(also note 2021 amendment excepting certain matters from the provisions of this section).
DISCLOSING VOTES  
(R.I. Gen. Laws § 42-46-7(b))

- If a vote is cast during executive session, the vote must be disclosed once the open session is reopened.
  - **Exception**
    - a vote taken in executive session need not be disclosed for the period during which its disclosure would jeopardize any strategy, negotiation or investigation undertaken pursuant to a properly closed meeting.  (R.I. Gen. Laws § 42-46-4(b)).

PUBLIC COMMENT  
(R.I. Gen. Laws § 42-46-6(d))

- If a public body chooses to hold an open forum or public comment session, nothing prohibits the public body members from responding to comments initiated by members of the public.
- The public body is permitted to limit comment on any topic during an open forum or public comment session.
GUIDANCE FOR CONVENING INTO EXECUTIVE SESSION

Pursuant to the Open Meetings Act (“OMA”), public bodies are required to conduct public business in an open and transparent manner. Accordingly, public bodies may only enter into executive (closed) session for limited, specific reasons and are subject to certain requirements when they do so. Some of the most common purposes for entering executive session, and the steps necessary to go from an open meeting to an executive session, are explained below. The full list of purposes for which executive session may be entered can be found at R.I. Gen. Laws § 42-46-5(a).

We emphasize that public bodies should only resort to executive session when necessary and are encouraged to consider whether business may be conducted in open session, even when the OMA may permit the matter to be discussed in closed session.

In addition to articulating in an open call the particular OMA subsection and providing a statement specifying the nature of the business to be discussed, the open session meeting minutes must also record the particular OMA subsection and the statement specifying the nature of the business to be discussed in executive session. See R.I. Gen. Laws § 42-46-4(a). This generally should be more specific than the categories listed below. Examples of how to convene and adjourn an executive session are included below.

Convening in and out of Executive Session

During the Open Session:

- **Councilmember A:** “Motion to convene into executive session, pursuant to R.I. Gen. Laws § [appropriate section here], to [repeat whatever is on the agenda here].”

Examples:

1. “I move that the XYZ Council go into executive session pursuant to R.I. Gen. Laws §42-46-5(a)(1) to discuss the job performance of the Town Manager. The Town Manager was provided prior written notice that her job performance would be discussed and that she could require that discussion be held during the open session.”

   * Meeting minutes must reflect that this statement regarding notice was made for the record*

2. “I move that the XYZ Council go into executive session pursuant to R.I. Gen. Laws §42-46-5(a)(2) to discuss the pending litigation of Leslie Knope v. Ron Swanson, Case Number: KC2019-1234.”

Councilmember B: “I second the motion.”

During the Closed Session (at the conclusion of the substantive closed session business):

(1) Motion to convene into open session

Councilmember A: “I move that the XYZ Council reconvene into open session.”

Councilmember B: “I second the motion.”

*This motion requires an affirmative vote of the majority of members*

Presiding Councilmember: “So ordered. The XYZ Council is now in open session.”

During Open Session:

(1) Report on Actions Taken in Executive Session (Often Provided by the Presiding Member)

- The [INSERT NAME OF BODY HERE] convened in executive session pursuant to [section] to [agenda], and the following votes were taken:
  - Vote(s), if any, on whatever was noticed
  - Motion, if any, to seal the minutes of executive session
  - Motion to return to open session

*Note: Any action/vote taken in closed session SHALL be disclosed in OPEN SESSION unless disclosure would jeopardize any strategy, negotiation, or investigation undertaken pursuant to discussions conducted under R.I. Gen. Laws § 42-46-5(a). R.I. Gen. Laws § 42-46-4(b).

(2) Motion to seal the executive session minutes (optional)

Councilmember A: “I move that the minutes of the XYZ Council executive session be sealed.”

Councilmember B: “I second the motion.”

*This motion requires an affirmative vote of the majority of members*

Presiding Councilmember: “So ordered. The XYZ Council executive session minutes of [DATE] shall be sealed.”

Minutes of a closed session shall be made available at the next regularly scheduled meeting unless the majority votes to keep the minutes sealed. R.I. Gen. Laws § 42-46-7(c). Public bodies are encouraged to not seal minutes unless necessary.

Guidance on Public Bodies Returning to In-Person Meetings and Remote Public Participation in Open Meetings

The Open Meetings Act (“OMA”) provides the Office of Attorney General with the statutory authority to investigate alleged violations of the OMA, as well as to interpret the requirements of the OMA. See R.I. Gen. Laws §§ 42-46-8(a), 42-46-12. Pursuant to that authority, the Attorney General frequently issues findings and offers trainings and guidance regarding the provisions of the OMA.

This Office has recently received many inquiries related to the expected expiration of Executive Order 21-72, which provides for virtual and hybrid meetings of public bodies for reasons related to the state of emergency resulting from COVID-19. That Executive Order is set to expire at the end of the day on July 23, 2021, and the Governor has indicated that it will not be renewed. To be clear, after the expiration of the Executive Order, meetings of public bodies must conform to the requirements of the OMA.

However, many public bodies and individuals have questions related to returning to in-person meetings, particularly in light of the widespread adoption of technologies and platforms that facilitate virtual access and participation. Accordingly, in anticipation of the expiration of the Executive Order, this guidance document is intended to provide clarity on the requirements of the OMA, for both members of public bodies and members of the public.

As set forth in greater detail below, this guidance clarifies that:

• **Members of the Public Body Must Attend Meetings In-Person**

• **Members of the Public Must Be Permitted to Attend Open Meetings in Person**

• **Public Bodies May Livestream Their Meetings to the Public**

• **Public Bodies May Permit Members of the Public to Participate Remotely in Open Meetings**
Members of the Public Body Must Attend Meetings In-Person

All members of a public body who are participating in a meeting in any fashion must be physically present at the meeting, unless one of the limited exceptions provided for in the OMA applies. The OMA expressly provides that “discussions of a public body via electronic communication, including telephonic communication and telephone conferencing, shall be permitted only to schedule a meeting.” R.I. Gen. Laws § 42-46-5(b)(1) (emphasis added). The OMA provides only two exceptions to this rule: “a member of a public body may participate by use of electronic communication or telephone communication while on active duty in the armed services of the United States” or if a member has a disability and cannot otherwise participate as further described in the OMA. R.I. Gen. Laws §§ 42-46-5(b) (2), (3). Except in these very limited circumstances, all members of the public body must be physically present at any meetings in which they are participating.

Members of the Public Must Be Permitted to Attend Open Meetings in Person

The OMA expressly provides that “[e]very meeting of all public bodies shall be open to the public” unless closed for one of the specific reasons permitted by the statute. R.I. Gen. Laws § 42-46-3. As such, members of the public must be permitted, in-person, to attend the open meetings of public bodies and to observe the conducting of those open meetings. Although there may be certain particular circumstances where granting in-person attendance to an unlimited number of people may not be feasible, for example due to fire codes or health occupancy restrictions, open meetings must be available to the public for in-person attendance in a manner that conforms with the OMA and with this Office’s precedent. See Brunetti, et al. v. Town of Johnston, OM 17-19.
Public Bodies May Livestream Their Meetings to the Public

Even prior to COVID-19, a number of public bodies livestreamed their meetings to permit citizens to observe the open meetings in real-time even if they were unable to attend in person. Although the OMA does not require livestreaming open meetings, nothing in the OMA prevents a public body from doing so. In fact, livestreaming open meetings via television, Youtube, Zoom, or some other technology increases access to public meetings and promotes the OMA’s purpose of ensuring that “public business be performed in an open and public manner and that the citizens be advised of and aware of the performance of public officials and the deliberations and decisions that go into the making of public policy.” R.I. Gen. Laws § 42-46-1. Although offering livestreaming does not relieve public bodies of their obligation to permit in-person attendance at public meetings, public bodies are permitted and encouraged to livestream their open meetings when feasible in order to promote additional public access.

Public Bodies May Permit Members of the Public to Participate Remotely in Open Meetings

Many public bodies have reported that, during the time when the executive orders regarding the OMA were in effect, they found it beneficial to offer members of the public the ability to participate in the open meeting remotely by offering public comment, testimony, or other remarks through virtual means. Although the OMA is clear that members of the public body may not participate remotely in open meetings unless expressly permitted by an OMA exception, there is nothing in the OMA that prevents public bodies from permitting members of the public the ability to participate in a meeting remotely, including, for example, offering public comment via Zoom.

- Continued -
The Rhode Island Supreme Court has been clear that “[i]n determining legislative intent, ‘[i]t is well settled that when the language of a statute is clear and unambiguous, this Court must interpret the statute literally and must give the words of the statute their plain and ordinary meaning.’” *State v. Badessa*, 869 A.2d 61, 65 (R.I. 2005) (quoting *State v. Martini*, 860 A.2d 689, 691 (R.I. 2004)). Moreover, “[w]e glean the intent and purpose of the Legislature ‘from a consideration of the entire statute, keeping in mind [the] nature, object, language and arrangement’ of the provisions to be construed ***.” *Id.* (quoting In re Advisory to the Governor (Judicial Nominating Commission), 668 A.2d 1246, 1248 (R.I. 1996)). “In a nutshell, ‘[i]n matters of statutory interpretation our ultimate goal is to give effect to the purpose of the act as intended by the legislature.’” *Id.* (quoting *Webster v. Perrotta*, 774 A.2d 68, 75 (R.I. 2001)).

Here, the OMA’s provisions restricting meeting by virtual means expressly pertain to “discussions of a public body” and “member[s] of a public body.” See R.I. Gen. Laws §§ 42-46-5(b)(1), (2), (3). Nothing in the language of the OMA expressly prohibits members of the public from participating remotely. Additionally, offering remote participation to members of the public is consistent with the intent of the OMA, which is for government business to be performed in an open and transparent manner that is accessible to the public. See R.I. Gen. Laws §§ 42-46-1, 42-46-3. As such, under the OMA, public bodies may permit members of the public to participate remotely in meetings.

We note that any such remote participation by members of the public must be able to be heard/observed by everyone in attendance at the in-person meeting and carried out in a manner that conforms with any other requirements of the OMA or other applicable laws. Although the OMA does not require public bodies to permit public comment or to permit remote participation by members of the public, public bodies are free to do so and are encouraged to do so when they find that it would advance the purpose of the OMA. We also note that although nothing in the OMA prevents members of the public from providing remote testimony, it is outside this Office’s purview under the OMA to address whether doing so would conform with other legal requirements.

We hope that this guidance is helpful as public bodies return to meeting in person. The Open Government Unit is available to answer questions and provide guidance on these and other issues related to the OMA and can be reached at:
