Re: Supplemental Notice of Security Incident

To the Office of the Rhode Island Attorney General:

DISA Global Solutions, Inc. ("DISA") is a third-party administrator of employment screening services, including drug and alcohol testing and background checks. On February 21, 2025, DISA notified your office concerning a data security incident it experienced and notification letters it sent to Rhode Island residents. We write to update your office that an additional 23 Rhode Island residents are receiving notification letters. DISA has now completed its dissemination of notification letters, and we do not anticipate submitting any further supplemental notices to your office.

Please contact me if you have any questions.

Sincerely,

Morgan Reynolds
Vice President & Legal Counsel
