Dear Attorney Rocha:

The Office of Attorney General and the Rhode Island Department of Health (the “Reviewing Authorities”) write to inform you that a decision on the proposed conversion will be extended beyond the January 29, 2021 date as previously discussed in our October 20, 2020 letter. The Reviewing Authorities need additional time to complete a thorough review of the transaction pursuant to other statutory responsibilities under the Hospital Conversions Act, RIGL § 23-17.14-1, *et seq.*

As of this date, we do not have a new deadline for completing the review of the Initial Application under the Hospital Conversions Act, but will notify you as soon as that date has been identified. Thank you for your continued cooperation in this matter.

Sincerely,

*Jessica Rider*
