 - i. Financial Assistance Policy
 - ii. Uncompensated Care Chart*

* Please note that the summary CNE figures for bad debt, charity care, and uncompensated care are from the income statement. The detailed figures included in this exhibit from the billing system are based on post dates and payment dates via an interface. The interface is run on 3rd or 4th of the month depending on entity, and, as a result, the detailed figures may differ from the summary figures, which are based on the income statement.
